

FEBRUARY 2010

GENESIS LEAGUE

GENESIS 3-D ARCHERY LEAGUE

When: Saturday's from 4pm-6pm starting on February 27, 2010

Why: To give people, who don't have archery equipment, a chance to be involved in 3-D archery.

Equipment: Everyone must use only the equipment provided. Everyone will be shooting with fingers and using instinctive aiming.

League Scoring: IBO Scoring

Team Standings:

1. Each team will consist of four people of any age or gender, the team captain will be responsible for forming a team.
2. Three scores will be added together per target (*dropping the lowest*), every archer must count at least 2 arrows per round.
3. Each team will shoot a 20 target course 5 times over the course of 5 weeks, keeping the top 4 team

scores.

League Night:

1. Everyone will gather on Saturday evening from 4pm-6pm to shoot the weekly course.
2. Each team will have 5 weeks to shoot 4 scores.
3. All scores must be shot on Saturday from 4pm-6pm.
4. Maximum distance will be 20 yards.

League Cost: \$40; one time fee per team.

The Genesis™ System combines "zero let-off" with light draw weights (adjustable from 10 lbs. to 20 lbs.) to create a bow that covers all standard draw lengths and fits virtually everyone.
